Graphics Design

Adobe Photoshop & Canva

Web Design

HTML & CSS

Web Development

Javascript & Wordpress

EDUCATION

Bangladesh University of Engineering & Technology

B.Sc in Nanomaterials & Ceramic Engineering

Faujdarhat Cadet College

Science Group

COMMUNICATION

I have good communication skills in three languages: English, Bangla and Hindi. I can speak and write fluently in English and Bangla, and I can understand Hindi well. I enjoy interacting with people from different backgrounds and cultures, and I can adapt my communication style to suit different situations and audiences. I believe that effective communication is essential for building trust, rapport and collaboration.

MY KNOWLEDGE

I have a diverse set of skills that allow me to create engaging and functional web pages and designs. I am proficient in HTML, CSS, C programming, and JavaScript, which are the essential languages for web development. I can also use Canva and Photoshop to design attractive and user-friendly graphics and layouts. Additionally, I have experience with WordPress, a popular and powerful platform for creating and managing websites.
